Dear parent or guardian,

alive and kicking - ad33

We thought we'd write and let you know about a few exciting changes behind the scenes of alive and kicking.

The first and most important news is that we've appointed a full-time youth pastor to work with alive and kicking and other young people in Kinver. James Baskett is currently completing a degree in youth and community work and applied theology and starts work with us in September, initially for five years. This is a really exciting development for alive and kicking and will help us to do more for your young people.

To make this appointment, the churches that support alive and kicking have set up a trust called ad33 (you might have seen the name around - in our web address for instance). This trust will oversee all the the work of alive and kicking and is managed by a board of trustees drawn from the sponsor churches and the alive and kicking leadership. ad33 is a registered charity number 1127111.

Full details can be found on the website but the main practical consequence that you need to know is that any **cheques** for alive and kicking activities need to be made payable to **ad33** and *not* alive and kicking.

The budget for James' appointment is £139k over 5 years, of which £101k has been funded by our sponsor churches*. The remainder is underwritten but has to be raised from charities and funds as well as generous individuals: £18k is currently pledged from individuals but if you would like to contribute towards the remaining £4k per year then please download a standing order and gift aid form from ad33.org.uk/support or speak to an ak leader.

If you want to discuss any of the above then please don't hesitate to get in touch with us on a Sunday night or via the contact details on the website.

Thank you for your support.

Ben Clymo, on behalf of the ad33 trustees
